"Excuse me for a moment, I drank too much coffee."
"This is one of those rare yet strange graphing-type lessons.."
"This is freaky weather."
"It's like spitting in the ocean.. If you pour a cup of water into the ocean, it doesn't suddenly get higher."
"Something is wrong here.."
"The Federal Reserve is a magic show."
"I realized I was tired today."
"I forget, for the moment, what I was talking about."
"It's everything ... like sleepwalking, you know? It's really strange."
"Most of the time I'm out like a light bulb."
"You have a conflict ... I forgot to take a Tylenol."
"Squeezing out that penny."

Big Book III: What a guy!

More of what Dr. Gianskof said... but shouldn't have!

"This is (5 second pause)... economics, OK."
"Something's wrong with me today, thank you."
"Your books have these little graphies."
"My head's going crazy."
"That's a no-no, right?"
"The no no point"
"I won't ask Robert, who... uh..."
"There may be something there..."
"keep it under your hat"
"Sit down."
"If you're squeemish..."
"So you can have a laugh or two."
"It starts in the supermarket."
"Basket of red pepper and cheesecake."
